CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING

With effect from 15-5-2015

Approved by the Board on 28-5-2015 under compliance with respect to
SEBI (PROHIBITION OF INSIDER TRADING) REGULATIONS, 2015

The compliance officer, appointed by the board shall report to the board of directors and in particular, shall provide reports to the Chairman of the Audit Committee or to the Chairman of the board of directors at such frequency as may be stipulated by the board of directors. Mr. Rajesh Goenka – Whole time Director is approved by the board to act as the Compliance Officer.

All information shall be handled within the organization on a need-to-know basis and no unpublished price sensitive information shall be communicated to any person except in furtherance of the insider's legitimate purposes, performance of duties or discharge of his legal obligations.

Employees and connected persons designated on the basis of their functional role in the (“designated person”) organization shall be governed by an internal code of conduct governing dealing in securities. The board of directors shall in consultation with the compliance officer specify the designated persons to be covered by such code on the basis of their role and function in the organization. Due regard shall be to the access that such role and function would provide to unpublished price sensitive information in addition to seniority and professional designation.

Designated persons may execute trades subject to compliance with these regulations. Towards this end, a notional trading window shall be used as an instrument of monitoring trading by the designated persons. The trading window shall be closed when the compliance officer determines that a designated person or class of designated persons can reasonably be expected to have possession of unpublished price sensitive information. Such closure shall be imposed in relation to such securities to which such unpublished price sensitive information relates. Designated persons and their immediate relatives shall not trade in securities when the trading window is closed

The timing for re-opening of the trading window shall be determined by the compliance officer taking into account various factors including the unpublished price sensitive information in question becoming generally available and being capable of assimilation by the market, which in any event shall not be earlier than forty-eight hours after the information becomes generally available. The trading window shall also be applicable to any person having contractual or fiduciary relation with the company, such as auditors, accountancy firms, law firms, analysts, consultants etc., assisting or advising the company.

When the trading window is open, trading by designated persons shall be subject to pre-clearance by the compliance officer, if the value of the proposed trades is above such thresholds as the board of directors may stipulate from time to time and the threshold as fixed and approved by the board at present is 20,000 equity shares or Rs 10 lacs or 1% of the share capital of the Company, whichever is less. No designated person shall apply for pre-clearance of any proposed trade if such designated person is in possession of unpublished price sensitive information even if the trading window is not closed.

The compliance officer shall confidentially maintain a list of such securities as a “restricted list” which shall be used as the basis for approving or rejecting applications for pre-clearance of trades.

Prior to approving any trades, the compliance officer shall be entitled to seek declarations (as per format) to the effect that the applicant for pre-clearance is not in possession of any unpublished price sensitive information. He shall also have regard to whether any such declaration is reasonably capable of being rendered inaccurate.

Trade pre cleared has to be executed within 7 trading by the designated person, failing which fresh pre-clearance would be needed for the trades to be executed.

A designated person who is permitted to trade shall not execute a contra trade within a period of 6 months from the date of an event. The compliance officer may be empowered to grant relaxation from strict application of such restriction for reasons to be recorded in writing provided that such relaxation does not violate these regulations. Should a contra trade be executed, inadvertently or otherwise, in violation of such a restriction, the profits from such trade shall be liable to be disgorged for remittance to the Board for credit to the Investor Protection and Education Fund administered by the Board under the Act.

The Company has adopted such formats with the consent of the board of directors for making applications for pre-clearance, reporting of trades executed, reporting of decisions not to trade after securing pre-clearance, recording of reasons for such decisions and for reporting level of holdings in securities at such intervals as may be determined as being necessary to monitor compliance with these regulations.

Without prejudice to the power of the Board under the Act, the code of conduct shall stipulate the sanctions and disciplinary actions, including wage freeze, suspension etc., that may be imposed, by the persons required to formulate a code of conduct under sub-regulation (1) and sub-regulation (2) of regulation 9, for the contravention of the code of conduct.

The code of conduct shall specify that in case it is observed by the persons required to formulate a code of conduct under sub-regulation (1) and sub-regulation (2) of regulation 9, that there has been a violation of these regulations, they shall inform the Board promptly.

N G INDUSTRIES LIMITED
