Dear Sir/madam,

Sub: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 – Temporary Suspension of operations due to Novel Coronavirus (COVID-19)

Considering the emergent situation due to the spread and devastating nature of Novel Coronavirus (COVID-19) and to support several initiatives taken by the Central and State Government authorities and other authorities, N G Industries Limited (“the Company”) has been taking continuous steps to respond to the situations and ensure safety of its employees.

In view of the lockdown in many parts of the states across the country, we at this stage have taken it upon ourselves to disclose to members and all stakeholders that we are having to temporary close our N G Medicare operations (Company’s Division) on days that lockdown conditions are applied upon Kolkata city. Similarly, our fresh admissions at N G Nursing Home (Company’s division) are temporarily suspended till we can review how and up to what extent we can adequately meet the resources required for satisfactory operations given the severe constraints brought upon by the lockdown etc.

Under these circumstances, specially from 23rd March onwards the company’s operations and consequently its financials will stand to be adversely effected in the near term horizon.

This is for your information and records.

Thanking you
Yours’ faithfully
For N G Industries Limited

Dipak Kumar Shaw
Company Secretary & Compliance Officer
