OPERATIONS AND PROSPECTS:

As we report today, more than three decades since our steadfast commitment to our mission - to bring Complete Healthcare of excellent standards in an affordable manner to all Citizens.

Today, our small but comprehensive setup includes Doctor Clinics, Outpatient Services, Diagnostic Laboratory and other Diagnostic Services, an Indoor Facility with wards and ICU, Surgical Infrastructure, Dialysis Services, Special Clinics like Infertility, Retail Pharmacies, Home Care Services, and an Adult Vaccination Unit. Initiatives like ours, were among the early contributors to the emergence of India's private healthcare sector, which now serves over 70% of the nation's medical needs.

India's healthcare industry is undergoing a profound transformation driven by technological innovation, increased insurance penetration, digitisation of patient data, regulatory reforms, and evolving patient expectations. Kolkata has recently witnessed significant consolidation, in form of major hospital chains changing ownership—indicative of shifting dynamics in regional healthcare delivery.

Looking ahead, we foresee several important sectoral developments:

- Greater adoption of digital health technologies and AI in diagnostics and treatment planning

NG INDUSTRIES LTD

- Expansion of insurance coverage and cashless treatment networks
- Increased emphasis on value-based and home-based care models

We are proactively aligning our internal systems and service architecture to embrace these changes. Our organisation stands ready to adapt, collaborate, and innovate while remaining steadfast in our commitment to affordable and quality healthcare based on ethical and patient-centric values.

Despite macroeconomic headwinds and a competitive environment, our financial performance during the year under review has been satisfactory. We have maintained our debt-free status, a testament to our prudent financial management. Our conservative approach—prioritising sustainability over aggressive expansion—has enabled us to weather economic disruptions and preserve shareholder value. With the exception of the pandemic-affected years, we have consistently declared dividends, reflecting our stable governance and fiscal discipline.

At NG, we have never compromised on ethics or quality, even in the face of market pressures. Our patient-first philosophy, adherence to medical ethics, and focus on long-term impact have guided every decision. Our teams—clinical, administrative, and support—deserve appreciation for upholding these values while delivering care with empathy and professionalism.

As we move forward, our focus will be on strategic consolidation, operational optimisation, and incremental expansion in patient care services—especially in areas such as preventive health, digital health access, medical services and geriatric care. We aim to further leverage technology, strengthen partnerships, and remain actively engaged in sectoral dialogues that shape policy and patient care. We hope to return to operational growth pursuing our policies in the coming years, having faced once in a life time disruption of the COVID and immediate thereafter resulting consequent disruptive years.

We consider your company's performance for the year 2024-25 as satisfactory in the context of the above described scenario and believe that the outlook of the company can be one of further recovery and consolidation and we hope the same to be achieved in the coming years. To our esteemed shareholders, thank you for the tremendous belief you have shown in our vision, which empowers us to reach new heights in healthcare delivery.

We enter FY 2025-26 with cautious optimism, grounded in resilience and guided by a clear vision.

We thank our stakeholders—patients, employees, partners, and shareholders—for their continued trust and support. Together, we look forward to building a healthier tomorrow.

There was no change in the nature of the business of the Company during the year.

MANAGEMENT DISCUSSION & ANALYSIS

Over the years, our reflections in the Management Discussion & Analysis may appear having remained same, yet they represent the cumulative wisdom and deep understanding that we have gathered over nearly three decades in the healthcare industry. The challenges and learnings in this sector often evolve incrementally and wisdom in healthcare is as much about continuity as it is about innovation.

INDUSTRY STRUCTURE & DEVELOPMENTS

India's healthcare landscape continues to grow and diversify, supported by macroeconomic trends and rising public health consciousness. Key drivers of this expansion include:

- **Rising income levels** and a growing middle class with increased willingness to spend on quality healthcare
- **Greater health awareness**, particularly post-pandemic
- **Aging population**, contributing to higher demand for chronic care and specialized treatment
- **Rapid advancements in medical technology**, diagnostics, and AI-led interventions
- **Longer life expectancy**, necessitating sustained access to preventive and curative care
- **Wider health insurance coverage**, both public and private

Government policy is actively encouraging wider insurance penetration. Union Government schemes, along with various State Government health-card initiatives, are targeting broader population segments for insured and subsidised healthcare. The long-term aim is universal health coverage, where quality care is made accessible to every citizen. These developments are expected to create stronger demand for structured, ethical, and technologically supported healthcare delivery models.

The healthcare industry is also experiencing a phase of **digital transformation**. AI-powered diagnostics, minimally invasive surgical procedures, cloud-based health records, and telehealth solutions are increasingly becoming integral to service delivery. This has opened new avenues for improving access, efficiency, and patient outcomes, while also challenging institutions to keep pace with evolving expectations.

N G INDUSTRIES LTD

IMPACT OF COVID-19 & SECTORAL SHIFTS

COVID-19 remains a defining global disruption, and its long-term imprint on healthcare is undeniable. Though the immediate crisis has passed, the pandemic brought systemic shifts in patient behaviour, healthcare delivery models, and regulatory oversight. Our Company has previously detailed the pandemic's operational and financial impact in dedicated disclosures, available under the "Information & Circulars for Shareholders" section of our website, and referenced in earlier Annual Reports.

We reiterate the importance of the pandemic not as a one-off event, but as a structural breakpoint that continues to influence staffs, patient interaction models, infection control protocols, and public expectations. It has reinforced the need for agility, resilience, and a patient-centric communication strategy. It has also meant rebuilding of our doctor support base and patient outreach segments and dealing with challenges in holding onto sustainable levels of services under such circumstances.

OPPORTUNITIES, THREATS, RISKS & CONCERNS

Opportunities:

- **Continued growth in insurance penetration**, both cashless and reimbursement-based, is opening up access for wider segments of the population.
- **Digitalisation and AI** are reshaping the diagnostics and treatment landscape, offering opportunities for efficient service delivery and enhanced outcomes.
- **The increased demand for outpatient services**, preventive care, home healthcare, and adult vaccination services aligns well with our core competencies.
- **Urban population growth**, combined with increasing chronic illness burdens, ensures sustained relevance for affordable, ethical healthcare providers.

Risks & Concerns:

- **Economic slowdowns**, especially in the services and informal sectors, can reduce discretionary health spending and delay elective treatments.
- **Negative public perception**, particularly in cases of treatment failure or complications, poses reputational risk—even in the presence of sound clinical judgment.
- **Attrition of experienced medical professionals** and support staff remains a post-pandemic challenge, particularly with global demand for talent.
- **Disruptions to Doctor-Clinic relationships**, especially during COVID, have required continuous rebuilding of referral networks and trust-based outreach.

N G INDUSTRIES LTD

- **Political sensitivity and regulatory risks** continue to surround the healthcare sector. Periodic moves toward price capping, over-regulation, and standardisation—though well-intentioned—can sometimes impact service quality and innovation.
- **Violence and litigation** against healthcare institutions, often arising from misinformation or unrealistic expectations, pose real operational and legal challenges.

The Company has taken steps to mitigate these risks through:

- Strong emphasis on **ethical and transparent medical practices**
- Patient education and counselling; using plain language to set **realistic expectations**
- Ongoing staff training and adherence to clinical protocols
- Regular **external quality audits** and accreditation processes
- Proactive investment in **technology and diagnostic upgrades**
- Retention and onboarding of **qualified medical professionals**, with a focus on long-term engagement and workplace culture
- Reinforced security measures and adherence to updated legal and statutory compliance frameworks

OUTLOOK

The overall outlook for the Company remains cautiously optimistic. The healthcare sector continues to be a priority for public and private investment, and we believe that institutions like ours—with a strong ethical foundation and long-standing community trust—will continue to play a vital role in the future of patient care.

We are focused on:

- Rebuilding and strengthening our outpatient and diagnostic divisions
- Expanding digital capabilities and patient interface tools
- Deepening our relationships with the medical fraternity
- Enhancing staff capabilities through training and continued professional development
- Participating actively in public health initiatives, including vaccination outreach, medical services, home care services and preventive health drives

N G INDUSTRIES LTD

Our nearly 30-year legacy of consistent service, coupled with a debt-free balance sheet and prudent governance, positions us well to navigate the evolving post-pandemic landscape. We remain committed to quality, affordability, and ethical care—principles that will continue to guide our growth and transformation in the years ahead.

INDEPENDENT AUDITORS' REPORT

To
The Members of
N G INDUSTRIES LIMITED
Report and Opinion on the Audit of Financial Statements

I. Report on the Audit of the Financial Statements

1. Opinion

- A. We have audited the accompanying Financial Statements of N G Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss for the year ended on that date, cash flow statement as on 31st March, 2025 and a summary of the significant accounting policies and other explanatory informations (hereinafter referred to as "the Financial Statements").
- B. In our opinion and to the best of our informations and according to the explanations given to us, the aforesaid Financial Statements give the informations required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021. ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit for the year ended on that date.

2. Basis for Opinion

We have conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidences that we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

4. Information other than the Standalone Financial Statements and Auditor's Report thereon

- A. The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various informations required under section 134(3) of the Companies Act 2013 but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance or conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report; we are required to report that fact. We have nothing to report in this regard.

4. Management's Responsibility for the Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- B. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

5. Auditor's Responsibility for the Audit of the Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- ii) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control systems.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

C. Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

II. Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the informations and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the AS prescribed under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021.
 - e) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company as on 31 March 2025 and the operating effectiveness of such controls, refer to our separate Report in Annexure B, wherein we have expressed an unmodified opinion; and
 - f) On the basis of the written representations received from the directors as on March 31, 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Auditors) Rules, 2014 as amended in our opinion and to the best of our knowledge and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations if any on its financial position in its Financial Statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources of funds) by the company to or in any other person or entity, including foreign entities ("intermediaries") with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or behalf of the company ("ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries.
b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries; and
c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub clause (a) and (b) contain any material mis-statement.

- v. The Company has paid a final dividend of ₹1,17,26,750 for the financial year 2023-24, in compliance with the provisions of Section 123 of the Companies Act, 2013..
- vi. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the informations and explanations given to us, the permissible managerial remuneration paid by the company to its, directors are within the limits specified under section 197 of the companies act 2013 and there is no violation on this account.
- vii. The report under Rule 11(g) of the companies (Audit and Auditors) Rules,2014 is applicable from 1 April 2023

Based on our examination which included test checks, except for the instances mentioned below, the company has used accounting software's for maintaining its books of account, which have a features of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective accounts.

(a) The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software's used for maintaining the books of account relating to payroll, consolidation process and certain non editable fields/tables of the accounting software used for maintaining general ledger.

(b) Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail features being tampered with.

6. CARO 2020 REPORT

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Report as required by the Companies (Auditor's Report) Order, 2020 (the CARO Order), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 (Refer to paragraph '7' of our report of even date.

With reference to the Annexure A referred to in the paragraph '7' of the Independent Auditors' Report to the members of the Company on the financial statements for the year ended March 31, 2025, we report the following:

1. In respect of the Company's Property, plant and equipment:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment. Further the Company does not have intangible assets.
 - (b) The Company has physically verified all the major property, plant and equipment as per a phased program of verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies reported on such verification were not material and have been properly dealt in the books of accounts.
 - (c) According to the information and explanations given to us, and the records examined by us and based on our examination of the records/deeds provided to us, we report that the title deeds of immovable properties other than self-constructed immovable properties (Building and storey sheds etc.) are held in the name of the Company.
 - (d) The Company has not revalued any of its property, plant and equipments during the year.
 - (e) No proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (45 of 1988) and rules made there under.
 - (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account
 - (b) The Company did not have any working capital limits from banks or financial institutions of any kind either during or as at the end of the year, hence clause (ii)(b) of paragraph 3 of the order is not applicable to the company.
3.
 - a. During the year, the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of clause 3(iii)(a) of the said Order are not applicable to the company.
 - b. In terms of requirement of reporting under clause (iii)(b) of the order; the management has reported that since no loans have been given by the company during the year hence, reporting under clause 3 (iii) (b) of the Order is not applicable.
 - c. In terms of requirement of reporting under clause (iii)(c) (iii)(d) and (iii)(e); Company has not granted any loans or advances in the nature of loans during the year and is not having any outstanding balance of any loans or advances in the nature of loans at the

beginning of the current year and end of the year. Hence, reporting under clause 3 (iii) (c), (d), (e) of the Order is not applicable.

d. In terms of requirement of reporting under clause (iii)(f) of the order; the management has reported that it has not given any loan during the year to promoters and or to any related party as defined under section 2(76) of Companies Act, 2013.

4. No reporting under clause (iv) of the order is required as the company has not given any loans to any of its Directors or to any other entity covered under section 185 of Companies Act, 2013, and further the provisions of section 186 of Companies Act, 2013 are also not applicable to the Company.
5. In terms of requirement of reporting under clause (v) of the order; it is stated that the company has not accepted any deposits or amounts which are deemed to be deposits during the year under review and has not contravened or violated any provisions of section 73 to 76 of Companies Act, 2013.
6. In terms of requirement of reporting under clause (vi) of the order; as explained to us, the Central Government of India has not specified the maintenance of cost records under sub-section (1) of section 148 of the Act as the company is not engaged in any manufacturing activity. Therefore, the provisions of Clause (vi) of paragraph 3 of the order are not applicable to the Company.
7. In terms of requirement of reporting under clause (vii)(a) & (b) of the order; in our opinion, and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities by the Company, though there have been slight delays in a few cases. Further, no undisputed amounts payable in respect of aforesaid taxes and duties that are outstanding as at March 31, 2025 for a period of more than 6 months from the date they became payable. Further there are no disputes of any type with respect to aforesaid taxes and duties.
8. In terms of requirement of reporting under clause (viii) of the order; there are no transactions not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
9. In terms of requirement of reporting under clause (ix) of the order; it is stated as under:-
 - a) The Company has neither taken nor defaulted in repayment of any loan or other borrowings or any interest due thereon to any lender.
 - b) The company has not been declared a willful defaulter by any bank or financial institution or any other lender.
 - c) The company has neither applied for nor taken any term loans.
 - d) There are no funds raised by the company on short term basis which have been utilized for long term purposes.
 - e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

10. In terms of requirement of reporting under clause (x) of the order; The Company has not raised money by way of initial public offer or further public offer (including debt instruments), or through preferential allotment or private placement of shares or convertible debentures during the year and thus the provisions of section 42 and section 62 of the Companies Act, 2013.
11. a. In terms of requirement of reporting under clause (xi)(a) of the order; We have not noticed any case of fraud by the company or any fraud on the Company by its officers or employees during the year. The management has not reported any case of fraud during the year.

b. In terms of requirement of reporting under clause (xi)(b) & (c) of the order; According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit. We also did not receive any whistle-blower complaint during the year.
12. In terms of requirement of reporting under clause (xii) of the order; it is reported that the company is a private company and hence no reporting required.
13. In terms of requirement of reporting under clause (xiii) of the order; all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, where applicable, and the details thereof have been disclosed in the financial statements, as required by the applicable accounting standards. Identification of related parties were made and provided by the management of the company.
14. In terms of requirement of reporting under clause (xiv) of the order; the company in terms of parameters of capital and turnover provided in section 138 of the Companies Act, 2013, is not required to appoint internal auditors. However the company does have an in-house internal audit system commensurate with nature and size of its business.
15. In terms of requirement of reporting under clause (xv) of the order; the Company has not entered into any non-cash transactions with its directors or persons connected with him/them for the year under review.
16. In terms of requirement of reporting under clause (xvi) of the order; The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a),(b) and (c) of the Order are not applicable to the Company.
Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.
17. In terms of requirement of reporting under clause (xvii) of the order; the company has not incurred any cash losses in the current financial year as well in the immediately preceding financial year.
18. In terms of requirement of reporting under clause (xviii) of the order; it is stated that no resignation of Statutory Auditor has taken place during the year under review.
19. In terms of requirement of reporting under clause (xix) of the order; it is stated that on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other informations accompanying the financial statements, and the auditor's knowledge of the Board of Directors and it's management plans, we are of the opinion

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of N G Industries Limited ('the Company') as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were designed and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

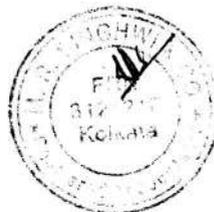

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

N G INDUSTRIES LTD

Notes Forming Part of the Standalone Financial Statements for the year ended 31st March, 2025

1 Reporting Entity

"N G Industries Ltd" The Company has been incorporated under the provisions of Indian Companies Act 1956 on 17th November 1994 and engaged in Business of Healthcare through its divisions popularly known as N G Medicare & Calcutta Hope Infertility Clinic, N G Nursing Home and N G Pharmacy. The registered office of the Company is located at 1st Floor, 37A Dr Meghnad Saha Sarani, Kolkata 700029. The Company's equity shares are listed on the Bombay Stock Exchange (BSE) and Calcutta Stock Exchange Association (CSE) in India.

2 Basis of preparation of Financial Statements

(a) Basis of preparation and compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors on 27th May 2025.

Details of the Company's accounting policies are included in Note 3.

(b) Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees

(c) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

Unless otherwise stated all income and expenditure are accounted for on accrual basis.

(d) Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair-value of an asset or a liability fall into a different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement

3 Significant accounting policies

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement

(a) Revenue Recognition

Revenue (Income) is recognised when no significant uncertainty as to determination/ realisation exists

Revenue from sale of goods and services rendered is recognized upon passage of title and rendering of services and, unless otherwise stated, is measured at the fair value of the consideration received or receivable inclusive of applicable taxes & duties

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(b) Property, Plant and Equipment

(i) Recognition and measurement :-

Items of property, plant and equipment, are measured at their original cost, net of Cenvat/GST, less accumulated depreciation. Additions include purchase cost, freight, duties and other expenses wherever incurred for acquisition and installation.

Fixed Assets retired from active use are valued at net realisable value.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized within other income/other expenses in statement of profit and loss

(ii) Subsequent expenditure :-

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company

(iii) Transition to Ind AS :-

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as on 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment

(iv) Depreciation :-

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight-line method over estimated useful life and in the manner specified in schedule II of the Companies Act, 2013. Depreciation is calculated on pro-rata basis on additions and deletions of fixed assets during the year.

(c) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

(d) **Impairment of assets**

An item of property, plant and equipment is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognised in a prior accounting period is reversed if there has been a change in the estimate of recoverable amount

(e) **Inventories**

Inventories of medical consumables, drugs, and stores and spares are valued at lower of cost or net realizable value. Cost is determined on weighted average basis. Net realizable value represents the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(f) **Earnings per share**

Earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders, by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period are adjusted for the effects of all diluted potential equity shares.

(g) **Taxation**

Tax expense comprises of current and deferred tax.

Current income-tax are measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Provision for Income Tax comprises of current tax and deferred tax charge. Deferred tax is recognized subject to the consideration of Prudence, on timing differences, being difference between taxable and accounting income/expenditure that originate in one period and are capable of reversal in one or more subsequent periods

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India

(h) **Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(i) **Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(j) **Cash Flow Statement**

Cash flows are reported using Indirect method as set out in Ind AS -7 "Statement of Cash Flows, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

(k) Use of Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are elaborated in notes.

(l) Segment Reporting

The Company is primarily engaged in the Business of healthcare services which is the only reportable business segment as per Ind AS 108 'Operating Segments'. Healthcare include various patient services delivered through Clinical establishments for Indoor Patient Services as well as Out Patient Services including Diagnostic services and Clinics with Pharmacy, Pathology and Radiology Services, Preventive Healthcare Services etc. The Company's business activity primarily falls within a single geographical segment.

(m) Provisions, contingent liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements.

(n) Financial Instrument

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same as at fair value through other comprehensive income (FVTOCI).

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety fair value,

(o) **Employee benefits**

(i) **Short-term employee benefits :-**

All employee benefits falling due within twelve months of the end of the period in which the employees render the related services are classified as short term employee benefits, which include benefits like salaries, wages, short term compensated absences, performance incentives, etc. and are recognised as expenses in the period in which the employee renders the related service and measured accordingly.

(ii) **Post-employment benefits :**

Post employment benefit plans are classified into defined benefits plans and defined contribution plans as under :-

Gratuity :- The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. The liability in respect of Gratuity, is recognised in the books of accounts based on actuarial valuation by an independent actuary. The gratuity liability for employees of the Company is funded with Life Insurance Corporation of India.

Provident Fund :- The Company makes contributions to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Provident Fund is a defined benefit scheme the contribution of which is being deposited with Regional Provident Fund Commissioner. Company's contribution to the provident fund is charged to Statement of Profit and Loss.
